

rganics RECYCLING

Did you know up to 40% of your household trash can be composted? Participate in the Residential Organics Drop-Off program today!

It's as easy as 1, 2, 3!

1

Collect organics in compostable bags from your kitchen, bathroom and laundry room,

COMPOSTABLE

Biodegradable Products Institute | US COMPOSTING COUNCIL

Look for this logo to determine whether a product is certified compostable.

2

Bring your bagged organics to the drop-off site and

3

Place the bagged organics into the organics carts in the parking lot at Pearl Park. The drop-off is open:

Tuesdays 4:00 p.m.—7:00 p.m.

Saturdays 9:00 a.m.—12:00 p.m.

Residential Organics Drop-Off Pearl Park

Parking lot at 414 E Diamond Lake Road

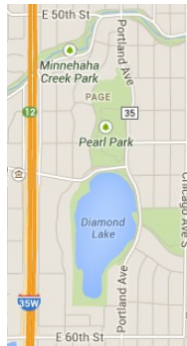

Hours of Operation:

Tuesdays 4:00 p.m.—7:00 p.m.

Saturdays 9:00 a.m.—12:00 p.m.

Drop-off will be accessible 24-7 after the City collects sufficient data on participation and it's verified that residents are bringing clean organic materials to the site.

All Minneapolis residents can use the residential organics drop-off!

To sign up to participate or to learn more, visit:

www.minneapolismn.gov/organics.

Minneapolis Solid Waste & Recycling would like to thank the Hale Page Diamond Lake and Tangletown Neighborhoods for encouraging the City to offer a residential organics drop-off.

Benefits of Using Compost:

- Returns nutrients to the soil
- Increases soil's capacity to hold water, which reduces watering needs
- Reduces soil erosion
- Reduces the need for chemical fertilizers
